Terms and Conditions

The agreement governing use of the SoftStore.pk marketplace by buyers and by anyone accessing the platform.

COMPANY	SoftSkills Engineering
PLATFORM	SoftStore.pk
EFFECTIVE DATE	14 August 2026
VERSION	1.0
ISSUED	1 August 2026

1. Introduction

SoftStore.pk ("the Platform") is a Pakistani online marketplace operated by **SoftSkills Engineering** ("we", "us"). It allows local sellers, brands and businesses to sell to buyers across Pakistan. By accessing or using the Platform you agree to be bound by these Terms.

If you use the Platform on behalf of a business, you confirm you have authority to bind that business.

2. Accounts and registration

- **Eligibility.** You must be at least 18 years of age to hold an account.
- **Account types.** Buyer accounts and seller accounts are separate. Holding one does not create the other.
- **Accuracy.** Registration information must be accurate and kept current.
- **Security.** You are responsible for keeping your credentials confidential and for activity under your account. Tell us immediately if you suspect unauthorised access.

3. The role of the Platform

READ THIS CLAUSE

SoftStore.pk is a venue. Goods listed on it are supplied, described, priced and dispatched by **independent sellers**. The contract of sale for a marketplace order is between the buyer and that seller. We are not the seller of record.

- Product titles, descriptions, images, specifications and prices are entered by the seller who lists the item. We do not independently verify every listing.
- Reviews and ratings are written by users and represent their opinions, not ours.
- Verification of a seller means their submitted identity and business documents were reviewed. It is **not** a guarantee of product quality, nor an endorsement.

4. Orders and payment

- **Currency.** All prices are in Pakistani Rupees (PKR).
- **Payment method.** Marketplace orders are **cash on delivery**. Card and mobile-wallet payment are not available at launch; this clause will be updated before any additional method is introduced.
- **Confirmation.** An order is confirmed when the seller accepts it. Placing an order does not by itself form a binding contract of sale.

- **Availability.** Stock is held by the seller. On rare occasions an item may become unavailable between the moment you see it and the moment your order is accepted.

5. Prohibited items

The following may not be listed or sold on the Platform:

- Illegal, counterfeit, replica or stolen goods.
- Weapons, ammunition and hazardous materials.
- Adult or otherwise inappropriate material.
- Anything restricted by the Government of Pakistan.

Report a listing you believe breaches this clause and we will review it. Confirmed breaches lead to removal and, on repetition, store suspension.

6. Returns and refunds

- Buyers may return an item within **seven (7) days** of delivery where it is defective, damaged or materially not as described.
- The seven-day window applies to **all categories**.
- Sellers must accept legitimate returns under this policy.
- Return requests are reviewed by our support team. Where the buyer's claim is upheld, the seller bears the return cost.

7. Intellectual property

- The Platform itself — its software, logos, text and graphics — is the property of SoftSkills Engineering or its licensors.
- Sellers retain ownership of their own listing content and grant us a licence to display and promote it in connection with the Platform.

8. Limitation of liability

To the fullest extent permitted by law, SoftSkills Engineering is not liable for indirect, incidental, special or consequential loss arising from use of the Platform, including lost profit or lost goodwill. Nothing here excludes liability that cannot lawfully be excluded.

We do not guarantee uninterrupted or error-free operation and we do not publish an uptime percentage. Planned maintenance will be notified in advance wherever practical.

9. Governing law and disputes

- These Terms are governed by the laws of the Islamic Republic of Pakistan.
- Disputes between a buyer and a seller should first be raised through our support team, which will mediate.
- Legal proceedings against SoftSkills Engineering are subject to the exclusive jurisdiction of the courts of Pakistan.

10. Changes to these Terms

We may modify these Terms. Material changes will be communicated by email or platform notification before they take effect, and the effective date on the cover of this document will be updated.
