

DOCUMENT 03

Seller Terms and Conditions

The agreement between SoftSkills Engineering and each registered seller on the SoftStore.pk marketplace.

COMPANY	SoftSkills Engineering
PLATFORM	SoftStore.pk
EFFECTIVE DATE	14 August 2026
VERSION	1.0
ISSUED	1 August 2026

1. Introduction

These Terms apply to registered sellers on SoftStore.pk. By registering a seller account you agree to them, and to the Seller Policies (Document 04) and the Commission and Fee Schedule (Document 05), which form part of this agreement.

2. Eligibility and registration

- You must be a legally registered business, or an individual holding a valid Pakistani CNIC.
- You must supply accurate business details and a Pakistani bank account in the name of the seller or the registered business.
- Where you are a registered business, you must supply your NTN or STRN.
- You are responsible for all activity under your seller account, including that of your staff accounts.

WHAT VERIFICATION UNLOCKS

The POS register and your dashboard are available immediately on registration. Verification is what unlocks the public marketplace storefront and the verified-store badge.

3. Listings and pricing

- Listings must be accurate, authentic and not misleading.
- You may list only goods you are lawfully entitled to sell, and you must hold any licence your category requires.
- Counterfeit, replica, illegal and restricted items are prohibited without exception.
- Prices must be transparent and must not constitute price gouging.
- Prices are inclusive of any tax you are required to charge on the goods.

4. Fulfilment

- Confirmed orders must be processed, packed and dispatched within **24 to 48 hours**.
- You are responsible for packaging adequate to prevent damage in transit.
- You arrange dispatch. The Platform records the order and its delivery status; courier booking is not integrated at launch.
- You must maintain accurate stock. Because your counter and your storefront share one inventory, a sale at the till updates the listing automatically.

5. Fees and settlement

- You agree to the category commission rates set out in Document 05.
- **Sales at your own counter are not commissioned.** Commission applies only to orders the marketplace brings you.
- Commission is deducted at settlement, after delivery and after the seven-day return window closes.
- **Payouts are released on two fixed dates each month — the 15th and the last day of the month.** Where a date falls on a weekend or public holiday, the run moves to the next working day. Orders clearing after a run's cut-off are paid in the following run.
- Commission on a returned or refunded order is reversed in full.
- Every calculation is recorded in a commission ledger you can inspect against the order that produced it.
- Rate changes are effective-dated, apply only to later orders, and carry at least 30 days' notice.

6. Returns and warranties

- You must accept returns within **seven (7) days** of delivery for items that are defective, damaged or materially not as described.
- Where a buyer's return claim is upheld by our support team, you bear the return shipping cost.
- Where you sell a product with a warranty, you must honour it and provide clear instructions for claiming it.

7. Suspension and termination

We may suspend or terminate a seller account for:

- Listing counterfeit, prohibited or illegal goods.
- Repeatedly failing to dispatch confirmed orders.
- Manipulating reviews or ratings.
- Attempting to transact off-platform to avoid commission.
- Creating accounts to evade an existing suspension.

Suspension decisions are recorded with a reason and may be appealed through support.

YOUR DATA ON EXIT

If you leave or are suspended, your storefront is delisted and your dashboard becomes read-only so you can still export your catalogue, sales history and inventory ledger. Nothing is deleted out from under you during the retention period.

8. Ownership

Your product catalogue, inventory records, staff accounts and in-store sales history are yours and export in standard formats. Marketplace buyer accounts belong to the Platform; you receive the delivery details required to fulfil each order and may not use them for any other purpose.

9. Governing law

These Terms are governed by the laws of the Islamic Republic of Pakistan and are subject to the exclusive jurisdiction of its courts.
